

# Install Rain Barrels for Garden & Environment

Up to \$70\*  
Rebate from  
Valley Water

The rebate is offered by Valley Water.  
The rebate applicant must first either register at  
<https://valleywater.dropletportal.com/>  
or call at: (408) 630-2554 for assistance.

Application takes 1-3 weeks and  
you can't purchase any materials nor start your project  
before the application is complete to be eligible for rebate.  
The rebate amount varies by where you live.  
Depending on your address, rebates may not be available.  
The rebate amount ranges from \$35 and up.  
So, plan early.

We will help you install  
Rain Barrels for your  
garden and work  
spaces.

As you know the plants love rainwater  
better than tap water, and it's good  
for the environment.

**Lower Your Waterbill and Enjoy Organic Gardening.**
